Ms. Thai Minh Diem Tu

Chief Marketing Officer
Techcombank

Run for A Greater Vietnam!

Welcome to the 8th Edition of the Techcombank Ho Chi Minh City International Marathon, where the spirit of excellence, determination, and community strength come together as one.

Over eight successful editions, the Techcombank Ho Chi Minh City International Marathon has grown into a signature sporting event and a symbol of the city's dynamism and aspiration for progress. Techcombank is proud to be the Strategic Sponsor, accompanying the race from its very first days to promote the sporting spirit and help build a healthier, happier, and more ambitious community.

Guided by our vision of “Chang Banking, Change Life,” Techcombank believes that every stride and every effort to rise is a way for each of us to affirm our self-worth and contribute to society. This spirit of continuous transformation and relentless pursuit of excellence is what inspires runners to overcome every challenge.

After all, no limits can hold us back from reaching the very best version of ourselves.

This year, Techcombank is hosting the virtual charity run “Run for the Future of Vietnamese Children,” aiming to raise 4.2 billion VND to support children in Vietnam living with lower-limb disabilities. Within just the first week, the virtual run attracted more than 20,000 participants, creating a powerful wave of sportsmanship and compassion across the nation. For every verified kilometer completed, 10,000 VND will be contributed to the “Chạm Yêu Thương” Fund, ensuring that every stride not only pushes personal boundaries but also spreads kindness, strengthens community bonds, and contributes to building a “Greater” Vietnam.

For us, the Techcombank Ho Chi Minh City International Marathon is more than a sporting event; it is a journey that connects communities, promotes compassion, and inspires an active, healthy lifestyle. Through every step, we move together toward a happier, stronger, and more resilient Vietnam.

We wish all athletes a safe, emotional, and fulfilling race, one that brings you closer to the most exceptional version of yourselves.

See you at the Start Line, where the journey of conquest continues, and new, inspiring stories await to be written.

Mr. Rob Zamacona

Here, every stride is not only a journey of personal breakthroughs, but is also a symbol of the dynamic, resilient, and inclusive values of the City named after President Ho Chi Minh.

With the participation of more than 23,000 domestic and international runners on a course that passes 17 iconic landmarks, this year's race continues to affirm its position as one of the largest and most internationally visible marathon events in Vietnam.

Executing an event of this scale is a team effort, and we extend our most profound appreciation to the Ho Chi Minh City Department of Tourism, the Ho Chi Minh City Tourism Promotion Center, the Ho Chi Minh City Department of Culture and Sports, the Ho Chi Minh City Athletics Federation, and our Title Sponsor, Techcombank, for their steadfast support over the past eight years. Whether you are an elite athlete or a first-time participant, each of you is contributing to a powerful narrative of determination, perseverance, and inspiration.

As the legendary Eliud Kipchoge says, "No human is limited." Every step you take this weekend serves as a vivid testament to that spirit, the spirit of continually striving to reach the best version of oneself.

We wish all athletes a safe race filled with energy, excitement, and unforgettable moments.

See you at the Finish Line!

Mr. Nguyen Tran Khoa

This year, the race returns in the vibrant atmosphere of the 2025 Ho Chi Minh City Tourism Week, reaffirming its position as Vietnam's largest marathon - a place where the spirit of sport harmonizes with the dynamic energy of a youthful and ambitious city.

From the Start Line in front of the historic Saigon Zoo & Botanical Garden - the "green lung" of the City - runners will pass through iconic landmarks of both past and present, including the Independence Palace, Notre-Dame Cathedral, and Ba Son Bridge, before reaching the Finish Line at the modern waterfront township of The Empire City. Every stride offers a unique perspective on the ever-evolving journey of the City named after President Ho Chi Minh.
